Blancco Drive Eraser version 6.11.1 "Hardware Edition" has been released!

Drive Eraser 6.11.1 "Hardware Edition" - Release notes

This release offers the same features and bug fixes as the generic Drive Eraser version 6.11.0. Other changes include:

Improvements:

- ALBUS-6873 - Changing the keyboard shortcut for sending reports from Ctrl+N to Ctrl+D.
- ALBUS-6771 - Improving the remote control of hardware appliances connected to a network.

Bug fixes:

- ALBUS-5758 - Fixing the fonts for languages using non-Latin characters.

Known Issues:

- There are some known issues that will be fixed in the coming Hardware Edition releases.

Please request the Detailed Release Notes from your Sales or Support Representative.
