

# Blancco Drive Eraser for Mac version 2.8.1 has been released!

Drive Eraser for Mac 2.8.1 - Release notes

## Features:

- **LEE-3925** - Added support for all BDE (Blancco Drive Eraser) edition licenses.
  - Multiple Edition Licenses now support Mac erasure (Volume Edition, Enterprise Volume Edition and Enterprise Subscription Edition).
- **LEE-3957** - Remove redundant outfile command.
  - This command can be replaced with UNIX output redirection.

## Fixes:

- Multiple license check and consumption optimization fixes.
