

Mobile Online Solutions (Inhance) Support

Report an Incident

Inhance Technology is now part of Blancco Technology Group. To know more about the products, visit our website at <https://www.blancco.com/solutions>

Blancco Technical Support Portal is located at <https://support.blancco.com/> and it is the most efficient way for finding a solution to a technical issue with Blancco products, retrieving product information and contacting the Blancco Technical Support team.

To submit a new support ticket related to Inhance products click "Report an Incident" button above or email us at support@blancco.com.

To fully utilize Blancco support offerings, create an account and report an incident through the Blancco Support Portal. Using the portal provides you the ability to submit new incidents, track the existing ones and share them with other users of the same organization (as long as they have signed up). Reporting the incident through the Support Portal also provides much more information to Blancco Support team which can help with the

Follow below steps to report an incident:

1. Click "[Report an Incident](#)" button
