

Are Atom processors supported by Blancco Drive Eraser?

Created date	Updated date	Affects version	Fix version
17 Feb 2017	25 Mar 2022	All Drive Eraser versions	N/A

Blancco Drive Eraser support most Intel Atom processors:

- Older Atom processors (specifically Intel Atom Z2760 "Clover Trail" platform) are not supported*
- Newer Atom processors are supported.

* The machines that incorporate unsupported processor (e.g. Asus VivoTab, HP Envy x2, HP ElitePad 900, Dell Latitude 10, Lenovo Thinkpad Tablet 2 to name a few) can be erased with Blancco LUN Eraser.

Devices with Atom Processor which fail to boot Blancco Drive Eraser can be erased with [Blancco LUN Eraser](#) running on WinPE.
