

# Blancco PreInstall version 2.3 has been released!

Release Notes - PreInstall - Version 2.3

Improvements:

- User Interface Update - Blancco re-branding.
- Option to set PreInstall boot option as a second (optional) in boot menu.

Bug fixes

- Fixed an issue with PreInstall and Blancco 5.11.0 where it doesn't boot on Dell Latitude E6410.
- Fixed an issue where popup warning about space requirement gets hidden and size is hard coded.
