

Are iPods supported on Blancco Mobile Diagnostics and Erasure?

Created date	Updated date	Affects version	Fix version
16 Feb 2017	12 May 2020	Mobile Diagnostics and Eraser - all versions	N/A

iPod Touch devices have iOS as the operating system, so they are supported in Blancco Mobile Diagnostics and Erasure.

iPod Mini, Nano and Classic devices are not based on iOS operating system and these devices are not supported at all.
