

Blanco Management Console version 5.6.0 has been released!

Management Console 5.6.0 - Release notes

Important notice! As a part of subscription license improvements, subscription licenses cannot be anymore distributed into sub license pools. Update process deletes license pools with subscription licenses and returns all licenses from those pools to the root license pool.

- **MC-6513** - Enhanced support for subscription-based licenses.
- **MC-6527** - Blanco Drive Eraser - Enterprise Volume Edition license.
