Blancco Removable Media Eraser 2.6.0 is now released!

Removable Media Eraser 2.6.0 - Release notes

Features:

- Sound alert on erasure completion.
  - This feature is turned off by default please consult user manual.

Bug fixes:

- **LEE-2943** - Automatic erasure erases devices that were already present when RME was started.
  - This prevents the automatic erasure of devices that were already connected prior to the setting.
