Blancco USB Creator Tool

The screenshot shows the Blanco USB Creator 3.4.0 application window. The title bar at the top reads "Blanco USB Creator 3.4.0". Below it is a blue header bar with the Blanco logo and the text "USB Creator". The main area contains a table with three columns: "Menu entry", "Blanco image", and "Size". The table is currently empty. To the right of the table are several control buttons: "Add" (green), "Remove" (grey), "Up" (grey), and "Down" (grey). Below these buttons is a checkbox labeled "Timeout" which is checked, followed by a text input field containing the number "100". At the bottom of the window, there is a red-bordered box containing a large white text input field and a green "Create USB" button.
