## Description

How to change license option and configure Management Console details to Blancco Mobile Diagnostic & Erasure.

## Step by step instructions

Consume licenses from the Cloud.blancco.com or Blancco Management Console

1. Log In to the Blancco Mobile Diagnostic & Erasure.

2. Click on the setting icon in the top right corner. It will open a Blancco Mobile Diagnostic & Erasure Settings Windows.
3. Click on the General Tab and go to the Blancco Management Console Settings

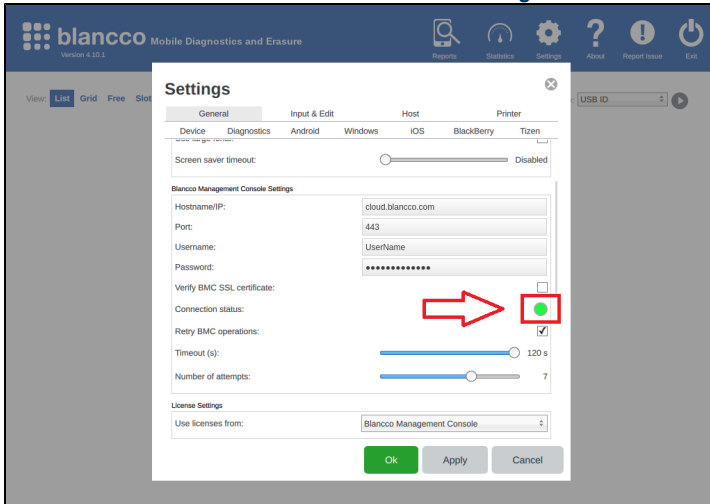

4. Fill in the below details
  - a. Hostname – cloud.blancco.comNote - If using Blancco Management Console then enter the IP/URL of the Blancco Management Console.

- b. Port - 443  
Note - If using Blancco Management Console, enter the port number of the Blancco Management Console
- c. Username – “Enter\_MC\_Username”
- d. Password – “Enter\_Password”

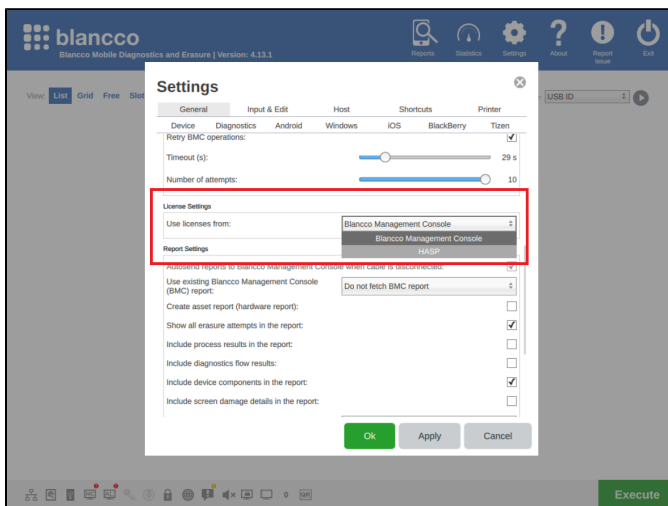

5. Click on **Apply** and **Ok**.

**If Connection status is Green then Blancco Mobile Diagnostic & Erasure is successfully connected to Blancco Management Console.**

Consume licenses from a local HASP Key which is directly connected to the Blancco Mobile Diagnostic & Erasure machine:

1. Connect the HASP key to the Blancco Mobile Diagnostic & Erasure machine.
2. Login to the Blancco Mobile Diagnostic & Erasure machine.
3. Go to the setting.
4. Click on the General Tab and go to the **License settings**
5. For **Use licenses from**, select the **HASP** option from the drop-down menu
